Blue Mound School Notes

The enrollment for the third week ending October 8, reached eighty-two pupils.

The new pupils enrolled are Earl Clift, second grade; and Ivan Calbert, fourth grade.

Visitors registered the past week: Mrs. Andy Morris and Dorothy Franklin.

Harvel Padgett, never having been properly classified, was transferred from the fifth to the sixth grade, this week.

Opde Summers, of the ninth grade, is one of the delegates to the Sunday School Convention at Beaver City this week.

There is considerable talk among the pupils of organizing some basket ball teams in the near future.

The teachers have taken up the matter of building a large shed on the school grounds in order to provide shelter for the horses that are driven to school. All those who drive are requested to consult the teachers in regard to the expenses of erecting this building.

The heat from the stove felt very pleasant last Friday, which was the first day we had deeded a fire this year.

Mr. Tooker read an excellent selection for opening exercises, Thursday, entitled, "Obeying Orders."

At a call meeting of the pupils Literary Society last Friday the following officers were elected for the present term: President, Ray Hayden; Vice President, Opde Summers; Secretary, Alda Carr; Sergeant at Arms, Glen Miller; Critic, Mr. Tooker; Organist, Tessie Clark; Executive Committee, Mr. Swalm, Ray Hayden, and Carl Muir. At this meeting a constitution was adopted and some minor business transacted.

Glen Miller, (on the play ground) His name is Tooker and he "took her," JOHN E. SWAIN, Principal.

Gate

Miss Anna Dixon is home from Wichita, but does not like this country so well any more.

The dentist was in Gate last week. Mr. John Kerns baby was buried in Gate cemetery Sunday.

Mr. and Mrs. Wesley Inman of Zelmia, spent the day Sunday at R. L. Mathers.

W. J. Jones returned home last week while gone he spent several days at Genda Springs.

A good rain fell here Thursday and quite a bit of hail. Farther east it was reported the hail laid on the ground three inches deep.

Kennedy Bros. show had a big crowd here last week in spite of the hard times. If we had the money which was so easy for them to get, we would soon be ready to start our new church.

Couch Scribbles

News are as scarce as hen's teeth in these parts, and it is cold enough to freeze the hair off of a muley cow.

W. E. Husted's visited at C. E. Husted's Sunday.

Sam McCurdy has been on the sick list the past week but is better now.

J. W. Couch has been cutting feed for George Yokum and Dave Buller this week.

C. E. and W. E. Husted also Mr. Dillidine went to Liberal Tuesday. Born to Mr. and Mrs. J. R. McCurdy last Monday, a baby girl. All parties doing well.

Mrs. W. G. Blalock is still very low and we cannot see any improvement in her condition. Her father and mother from eastern Oklahoma, came Thursday to be by their daughter's bedside. We hope that she may gain in health and soon be about again.

Grant Couch went to Liberal last Sunday and while up there one of his father's horses died.

Fred Sheppard and Sidney Wright left this week for eastern Oklahoma.

W. W. Wheeler has been down to Woods county since we last reported but has returned.

H. P. Thierston went to Beaver City Monday.

Frank Reed has left for Kansas since our last report. SLEEPING BEAUTY.

Don't Like Rabbit Scalp Bounty

I read an article in the HERALD recently of some one desiring a bounty on Jack rabbit scalps. Unless the Beaver bounty scalps are branded or different in some way from those in the surrounding territory.

Wouldn't there be danger of paying bounty on scalps from other states or counties where no bounty is paid on them. Quite a number were brought to Beaver last winter.
